

Gen 1.3 Drum Based 125 Gallon System

DESCRIPTION

MistAway's Drum Based System utilizes a state-of-the-art control panel designed especially for automatic insect control. The engineered agitator allows for a consistent blend with each mist. The three button remote allows for even more control. The auto drain valve insures the nozzles open and close instantly, eliminating dripping and streaming. The raised chassis mounts to multi-sized reservoirs.

KEY FEATURES & BENEFITS

- Custom designed digital controller exclusively for automated outdoor insect control
- Up to 12 daily mist cycles available
- Independent mist duration for each cycle
- Specific misting days can be programmed
- Agitation before every mist cycle, including remote activation
- Error codes to facilitate troubleshooting
- Wireless remote allows user to Start on Demand, Stop and Skip scheduled mist cycles
- Anti-Siphoning solenoid
- Pressure indicator
- Programmable tank level indicator
- Lockable control panel
- Raised chassis mounts to multi-sized reservoirs
- Weatherproof cover included - custom fit

OPTIONS

- Zoning for larger installations doubles the nozzle capacity
- Wind sensor - programmable

SPECIFICATIONS

Dimension:	125 gal 44" L x 32" W x 39" H
Color:	Black
Enclosure:	Molded Polyethylene Plastic
Remote Receiver:	FCC compliant w/part 15 of FCC Rules
Pump Material:	Brass
Pump Flow:	107 GPH or 1.78 GPM
Pump By-Pass:	250 PSI
Agitation Valve Press:	0 - 250 PSI
Pump Pressure:	0 - 250 PSI
Motor:	120 Volt/60hz 1/2 HP
Amps:	7.8 Continuous Requires 15 Amp Service
Power Cord:	SJTOW 14 Gauge 12'
Controller:	Digital 120 volt
Reservoir Filter:	100 Mesh Aluminum
