

## **BAC-AZAP®**

**BAC-AZAP** is a blend of natural organisms and enzymes that encapsulates odor, and then consumes organic odor-causing matter, eliminating the source of the odor.

**BAC-AZAP** is available in 1-quart, 1-gallon and 5-gallon containers.

## **ADVANTAGES**

- Works on any organic odor—excellent for eliminating dead animal, urine, skunk and other odors.
- Add-on sale to virtually all stops.
- Sell directly to customers.
- Stops odors in wall voids.
- No other product like it.
- Best drain treatment product.
- Eliminates drain fly harborage.
- Commercial application.
- Can be sold to anyone—not a pesticide.

*Bac-Azap can be used with a foaming agent such as ProFoam® Platinum for the control of drain flies.*

*Bac-Azap is perfect for odor control in garbage containers.*
